ORANGE COUNTY CEMETERY DISTRICT

CEMETERY CLOSURES DUE TO CORONAVIRUS (COVID-19)

As a Special District of Orange County, it is essential that we adhere to the orders of Federal, State, and Local Government Agencies as they strive to protect the public and slow the spread of the Coronavirus pandemic.

The current order is clear. Stay at home except for essential tasks such as grocery shopping and doctor appointments. As a public cemetery, we are an essential business, but only for the sole purpose of conducting interments for casket placement. Cremation placements, gravesite visitation, and even graveside services themselves are not essential tasks under the current guidelines.

Our Board of Trustees has made the difficult decision to close all District cemeteries for weekend visitation until further notice to encourage the public to follow the "Stay at Home" order. Legal counsel has also advised us that it may be necessary to close our cemeteries for all visitation entirely. Most cemeteries in Orange County are already closed for weekend visitation. Many cemeteries in Southern California have closed entirely and are only allowing entrance for actual burials.

If you visit the grounds Monday through Friday, please maintain social distance of 6 feet from everyone, even members of your own group. Keep groups as small as possible (no more than 9) and wear a face mask. We ask for your understanding and cooperation.
